April 2017

Welcome to April!,

Letter from the Director

What an amazing month March was! We hope you all enjoyed our Spring Family Night with our first Scholastic Book Fair. The book fair was so successful that each classroom was able to choose almost \$70 in new books! Thank you so much to all of the parents who were able to help staff the fair and a HUGE thank you to Mrs. Leslie Crenshaw for all of her hard work putting Family Night together!

We have so many exciting activities coming up during the month of April. Your children can look forward to Chapel, puppet shows, baby chicks, and for some of our older children, Kindergarten Registration. We may only have 2 months left of school but we are going to pack it full of fun and excitement!

Chick Hatching Project

Baby chicks are coming to River Road! On April 19th we will begin a school wide chick hatching program. All of the children will have the opportunity to see how the chicks grow in the egg and observe them after they hatch. In addition, we will have a few baby chicks prior to the eggs hatching for the children to observe and to teach the new chicks how to eat and drink.

By the end of this project, our sweet little chicks will need a forever home. Most of them have already been claimed, but we will need homes for the last 3. If you know anyone who is interested in housing 2 or more chicks towards the end of May, please let us know.

Spring Program

Our Spring Program is just around the corner! Children who are enrolled in a 3 year old class (Mrs. Ryan, Mrs. Eure, Mrs. Anthes) or older will have the opportunity to share songs they have learned in music class with your family.

The children have been working on their songs for months now and are so proud of what they can do. We welcome you and your family to join us for this very exciting event.

Thank You Parents

From all of us to all of you, thank you so much for such an amazing Teacher Appreciation Week. The building looked spectacular and the treats were above and beyond. Thank you so much for your donations of time and money, your hard work and for making us feel so loved.

Spring Conferences

As the school year begins to come to a close, we would like to encourage all of our Developmental 1 through JK families to sign up for a Spring Conference. This is an excellent opportunity for you to have some one-on-one time with your child's teacher to discuss your child's growth and development over the school year.

Just a reminder that school will be closed on Thursday, April 27th to all students. We will have child care available for your child during your scheduled conference time.

Art Show

Keep an eye out during the month of May for the River Road Preschool 2017 Art Show! Children enrolled in the 3 year old classes and older will create works of art to be posted around the school for families to enjoy.

Parent Survey

As we move closer to the end of the year we want your input. A survey will be sent out in the coming weeks from Survey Monkey providing you the opportunity to give us some feedback. We want to know what you love about our school and how we can better serve the families we love. The more feedback we receive the better we can be!

Kindergarten Registration

The time has finally come for many of our families! Public school kindergarten registration day is just around the corner. This can be such an exciting day for the children as they begin to better understand what the future has in store.

Any child enrolling in any public school for the 2017-2018 school year is encouraged to register on April 20th between 8:00 am—4:00 pm or 6:00 pm—8:00 pm at your child's home school.

Don't forget to bring the following required items:

- * Birth Certificate
- * School Health Form
- * Your ID
- * 2 Proofs of Residency
